NEW FOR 2024/25

TOP 40 Advent Calendar!

PINBALL MACHINE ADVENT CALENDAR

68 PIECE KIT

1 Instruction Per Day

Gift a fun-filled Christmas countdown with Build Your Own's limited edition Pinball Machine Advent Calendar.

Hidden behind each door you'll find a new step of kit instructions. Build step-by-step over 24 days in December; the pieces come together to create a fully functioning Pinball Machine the whole family can enjoy on Christmas Eve. Incredible value for money beyond Christmas!

Easy to assemble using slot together techniques – there's no glue, no mess, no fuss. Everything you need is provided in the kit – simply follow the instructions: press out the pre-cut parts, build and you're ready to go!

AGE: 8+ CODE: BYO 012 RRP: £24.99

CONQUER THE CUBE!

BUILD

ENTER THE MAZE

CONQUER THE CUBE

Marble Maze

Introducing the Maze Cube: The Ultimate Build Your Own Challenge!

Get ready to lose yourself in the Maze Cube, the exciting cardboard slot-together adventure that's as fun to build as it is to solve! This puzzle masterpiece is made up of 200 intricately designed cardboard parts and comes with 3 sleek glass marbles to test your skills. Whether you're flying solo or teaming up with a friend, assembling this maze is a creative journey like no other.

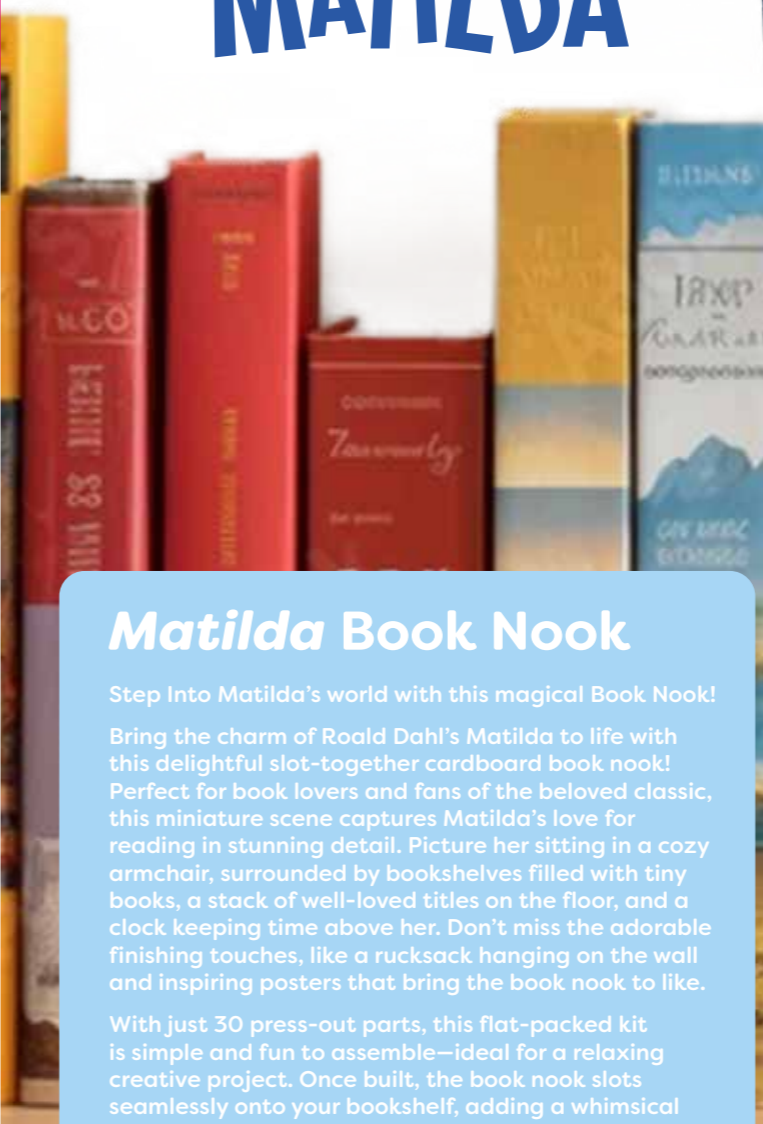

But the real challenge begins after you've built it! The 8 unique challenge zones will put your problem-solving skills to the test as you guide the marbles through twists, turns, and tricky traps. Once completed, the Maze Cube transforms into a stunning display piece—a conversation starter that'll add a touch of playful genius to your shelf or coffee table.

Perfect for puzzle lovers, design enthusiasts, and anyone looking for a fun new way to spend an afternoon. Are you ready to conquer the Maze Cube? Game on!

AGE: 13+ CODE: BYO 015 RRP: £24.99

ROALD DAHL MATILDA

NEW FOR 2025

Matilda Book Nook

Step Into Matilda's world with this magical Book Nook!

Bring the charm of Roald Dahl's Matilda to life with this delightful slot-together cardboard book nook! Perfect for book lovers and fans of the beloved classic, this miniature scene captures Matilda's love for reading in stunning detail. Picture her sitting in a cozy armchair, surrounded by bookshelves filled with tiny books, a stack of well-loved titles on the floor, and a clock keeping time above her. Don't miss the adorable finishing touches, like a rucksack hanging on the wall and inspiring posters that bring the book nook to life.

With just 30 press-out parts, this flat-packed kit is simple and fun to assemble—ideal for a relaxing creative project. Once built, the book nook slots seamlessly onto your bookshelf, adding a whimsical slice of Matilda's world to your collection.

It's the perfect gift for readers, dreamers, and anyone who believes in the magic of a good story!

BUILD YOUR OWN

AARDMAN

Wallace & Gromit

Est. 1989

FEATHERS McGRAW

Recreate an iconic criminal mastermind with Build Your Own's 'Feathers McGraw'.

With clever mechanics for a walking legs and blinking eye action, Feathers' expressive body language speaks volumes.

This villainous penguin comes complete with his chaos-causing remote-control panel, red rubber glove hat, and large diamond. He has moveable arms for the remote control and diamond to neatly slot into.

HE'S A MENACING
28 CM TALL!

WITH WALKING AND EYE BLINKING ACTIONS!

AGE: 10+ CODE: BYOMB 019 RRP: £14.99

GROMIT

Bring Wallace's much-loved loyal sidekick to life with our build your own 'Gromit'.

Simply slot together the cardboard parts to create your very own pooch pal! He has a rotating head, expressive moving ears, and clever tail wagging mechanism for a walking leg action.

Includes Gromit's personalised dog bowl, tasty bone, cosy slippers, and a framed photo of Wallace and Gromit.

HE'S A CRACKING
20 CM LONG!

WITH WALKING AND EAR RAISING ACTION!

AGE: 10+ CODE: BYOMB 020 RRP: £14.99

TECHNO TROUSERS

Jump into a cracking mischief-filled adventure with Build Your Own's new eco-friendly, STEM-inspired 'Techno Trousers'.

Simply slot together the cardboard parts to create Wallace's iconic trousers from Oscar-winning animated short 'The Wrong Trousers'. Twist the paddle on Wallace's back to bring him to life with a wonderful walking and stomping action!

Includes the villainous penguin 'Feathers' McGraw and his chaos causing remote control panel. Plus, a press-out Wallace & Gromit postcard for an added touch of fun.
