Marble Maze

Introducing the Maze Cube: The Ultimate Build Your Own Challenge!

Get ready to lose yourself in the Maze Cube, the exciting cardboard slot-together adventure that's as fun to build as it is to solve! This puzzle masterpiece is made up of 200 intricately designed cardboard parts and comes with 3 sleek glass marbles to test your skills. Whether you're flying solo or teaming up with a friend, assembling this maze is a creative journey like no other.

But the real challenge begins after you've built it! The 8 unique challenge zones will put your problem-solving skills to the test as you guide the marbles through twists, turns, and tricky traps. Once completed, the Maze Cube transforms into a stunning display piece—a conversation starter that'll add a touch of playful genius to your shelf or coffee table.

Perfect for puzzle lovers, design enthusiasts, and anyone looking for a fun new way to spend an afternoon. Are you ready to conquer the Maze Cube? Game on!
